

I just want to express my appreciation of K-LOVE radio. My family wakes to K-Love on our radio/alarm clocks, listens to K-Love in the van anywhere we go (even on vacations, etc... since we can find stations all over) and I listen to K-Love at work on-line. My husband is active-duty in the Navy and has shared K-Love and its Christian message with his shipmates. We believe that now, more than ever, our country needs to hear the wonderful messages that K-Love delivers. Even if you are not a Christian, you can benefit from K-Love's wonderful messages on parenting, good relationship building, and hope from suicide and alcohol/drug addiction. Please do not take K-Love away from us. It is the only radio station that promises "Positive and Encouraging" listening!!!!
